Robert Cooper, CPR Insurance Services

Movie: I still love the original Blues Brothers film. It has everything in it and gave me a love of Blues music

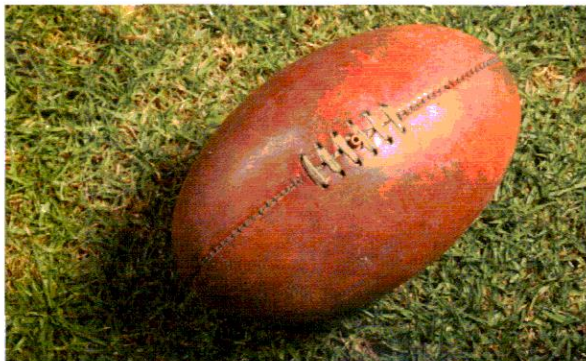

Book: *A Fortunate Life* by A B Facey – very inspirational story about an Australian who had a hard life but still thought he was very lucky

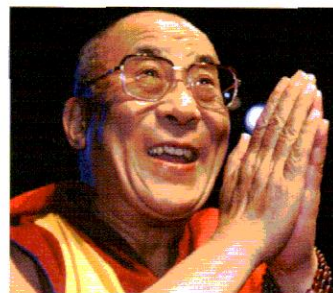

Place to be: Living in the Wilston Grange area of Brisbane is the best place to be with my family. The community is fantastic, people are friendly and we like being part of it

Music: As mentioned, I have a great love of Blues music but there is still a lot of other music I enjoy, from Rock to Classical

Sport: I love all four football codes and it is great in Brisbane as we have four very successful football sides with the Reds, Roar, Lions and Broncos

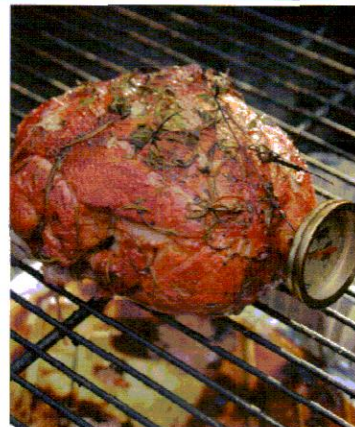

Vacation spot: I love Venice in Italy but also the Whitsundays in North Queensland

Celebrity: Not really interested in celebrities but there are many people who inspire me like Nelson Mandela, Dalai Lama, John Eyles and Tony Christiansen

About working in insurance: It crosses over into many professions and you never stop learning. I do not intend to ever retire from it especially when each day brings a new challenge. Young people should choose it as a career

Food: I love food from all around the world, but at the end of the day, you cannot beat a roast dinner with any sort of meat

Drink: Can't beat a nice bottle of Tim Adams Shiraz from the Clare Valley
